Modification 01
to
Request for Proposals (RFP)
No. 2023-01
Cross-Sectoral Digital Services Guidance
Issue Date: January 17, 2023

1. Purpose

Modification 01 adds Attachment I to this RFP, consisting of responses to questions and requests for clarifications received by January 24, 2023. The ceiling for this award will be USD \$65,000.

2. Attachment I: Responses to Questions and Requests for Clarification

1. Can you please specify what type of design is expected for the final deliverable?

The final deliverable is expected to be a publication-ready PDF, or other format to be agreed upon with USAID and DAI during project inception.

2. Does DAI have a graphic designer, or will it provide a style guide for the design of the final deliverable?

A style guide will be provided. The contractor is expected to provide graphic design services as part of their proposed budget.

3. Alternatively, can the proposal include a range for the design component that will depend on the final scope of work to be determined in the first stage of the project?

Yes, this is acceptable.

4. If firms have submitted a technical and financial proposal for RFA 2022-21 / the Cross-Sectoral Digital Services Guidance, are those firms permitted to resubmit a similar technical proposal and revised financial proposal using the newly provided budget ceiling?

Yes, ensuring that the revised technical and financial proposals meet all requirements of RFP 2023-01.

All other RFP terms remain unchanged.

The deadline for submission of proposals remains February 14, 2023, no later than 5pm EST, to DigitalFrontiers@dai.com
